Dear Vicki and Jim,

Tonight you are at the symphony and it will keep to take your minds off from Hall. I was so surprised to hear the sad news as I thought he was going to be fine. I just wrote a note to Carol and sent her a check for ten dollars. I wonder what she will do now. You will probably keep in touch with her.

We plan to go up to the cabin this week end. The snow is coming down on Chinook Pass so it will be cold up there until we get the fires going.

Dr. Zinner's wife has announced a large sum of money so Dr. Zinner has just about cracked up, so have for sure I must find another dentist.

Love,

Mom.
